

What is Operation Roundup?

Operation Roundup is a program sponsored by LaFollette Utilities (LUB) as a community service fund-raising program. Each month, customers elect to have their utility bills “rounded up” to the next highest dollar. For example, if your utility bill was \$75.45, your bill would be rounded up to \$76.00, with 55¢ going into the Operation Roundup fund.

LaFollette Utilities collects the funds and an independent Board of Directors meets semi-annually to disburse funds, all of which goes directly to local charitable organizations in our community.
